Colchester Global Investors Appoints Edward Sasinowski as Head of Distribution for North America

NEWS RELEASE

30 July 2021

Leading global sovereign bond manager, Colchester Global Investors, has appointed Edward Sasinowski as Head of Distribution for North America based in New York. Ed joins Colchester from PIMCO where he served as a Senior Vice President in the Institutional Client Management team covering a diverse set of institutional clients and consultants, including some of PIMCO's largest and longest standing relationships dating back to 1975.

Prior to joining PIMCO, Ed served as a securitization and debt capital markets specialist at both Barclays Capital and Bear Stearns. He holds a BS in Economics from Yale University, a MBA from UCLA Anderson School of Management, is a CFA charterholder, and has FINRA Series 3, 7, 24, and 66 licenses.

Paul Allen, Global Head of Marketing & Client Services, said, 'Ed brings a wealth of industry knowledge and expertise to the role, coupled with strong client and consultant relationships. We are proud to have him join our Marketing & Client Services team.'

'We have witnessed increasing engagement from allocators seeking to maximize diversification and real yields, as well as new arteries of exposure through ESG and frontier markets. Professional investors continue to express a desire for the transparency, expertise, and discipline that Colchester's unique approach offers.'

About Colchester Global Investors (as of 30 June 2021)

Colchester Global Investors is a value-oriented investment manager with a singular focus on managing global sovereign bonds and currencies. Chairman and CIO Ian Sims founded the privately-owned asset management business in 1999. Colchester is headquartered in London, with offices in New York, Singapore, Sydney and Dubai. Colchester has funds under management of approximately \$42bn across four core strategies, being global sovereign bonds (\$25.8bn), global inflation-linked bonds (\$2.4bn), emerging market debt (\$13.5bn) and an alpha program (\$0.3bn).

Colchester enjoys a long-standing history of managing money for many prestigious global institutions. Investment management services are provided to institutional clients on a separate account basis for mandates over \$75 million.

Headquartered in London, the majority of the investment and operations take place out of our main office there. Compliance resources are based in London and Singapore. Colchester's Marketing and Client Service team is represented in each of our five offices.

Colchester Global Investor Inc. ("CGI Inc") was incorporated on 4 January 2000, and provides marketing and client services to CGIL in North America. Colchester Global Investors (Singapore) Pte. Ltd ("CGIS") provides discretionary investment management, research and advisory services, marketing, client services and trade execution services to CGIL and to external clients in Asia Pacific. In February 2016, CGIS opened a Representative Office in Sydney, Australia. The activities of the Sydney Representative Office are confined to the provision of marketing and client servicing to Australian wholesale clients. Colchester Global Investors Middle East Limited ("CGIM") provides marketing and client services to CGIL and clients in the Middle East region. CGIM commenced operations on 18 July 2019.
